

Boreholes for geological investigations and static sounding points location diagram

1:1000

1(1)

Symbols

1st stage of geological survey

- brh.7 Borehole and its number
- 3,90 Absolute mark of wellhead, m
- ▽ ssp.5 Static sounding point and its number
- ▽ 6,00 Absolute mark of wellhead, m

2nd stage of geological survey

- brh.17 Borehole and its number
- 3,10 Absolute mark of wellhead, m
- ▽ ssp.18 Static sounding point and its number
- ▽ 4,98 Absolute mark of wellhead, m

Surveys of recent years (archive materials)

- brh.213 Borehole and its number
- 4,51 Absolute mark of wellhead, m
